# BREAKFAST

SUSTAINABLY SOURCED | SUPPORTING LOCAL FARMERS & FORAGERS | GARDEN TO TABLE

Mornings at Jack Fenn begin with honest, heartfelt food—cooked simply and served with care. Our breakfast dishes are made using seasonal vegetables and herbs from Belleek Castle's own gardens, honey from our courtyard hives, and the finest local ingredients sourced from passionate Irish producers. We're proud to work with Andarl Farm (pork), Hugh Maguire (smoked black pudding), Joe Garvin Seafoods & Clarkes (fish), and Falcon Fruits (vegetables). From the first fry to the last pour of tea, everything on your plate reflects the rich, local flavours of the West of Ireland.
